

WHAT'S INSIDE MATTERS®

PROMISING YEARS OF

WORRY-FREE PERFORMANCE

WARRANTIES AND DEPENDABILITY PROMISE

MAYTAG® WARRANTIES AND DEPENDABILITY PROMISE

Maytag is recognized as one of the most reliable names in household appliances nationwide. Every Maytag® heating and cooling product is of the highest-level quality construction and backed with our trusted, worry-free limited warranty and dependability promise, when product is registered. When you choose Maytag® heating and cooling, you're choosing total home comfort and total peace of mind.

M1200 SERIES PRODUCTS

12-Year Worry-Free Limited Parts Warranty - M1200 Series products offer an unprecedented 12-Year Worry-Free Limited Warranty on parts, registration required.*

Dependability Promise - M1200 Series products also offer the Dependability Promise, which states that if the compressor or furnace heat exchanger fails within the first 12 years of purchase, your entire unit will be replaced, registration required.* For split-system heat pumps and air conditioners, the Maytag® Dependability Promise is available only when these units are installed with a Maytag® matched indoor coil or air handler. The Limited Warranty for the new unit continues from the original installation date of the previous unit. A labor fee of \$250 will be paid to the servicer to help replace the failed piece of equipment under a Dependability Promise.

M120 SERIES PRODUCTS

12-Year Worry-Free Limited Parts Warranty - M120 Series products offer a 12-Year Worry-Free Limited Warranty on parts, registration required.* Air handlers and coils carry a 3-year all parts limited warranty and when installed and registered with a matched Maytag® outdoor unit, will carry the outdoor system warranty.

Dependability Promise - M120 Series products offer the Dependability Promise, which states that your Maytag® unit will be replaced with new Maytag® equivalent

equipment should your compressor or furnace heat exchanger fail during the first year of ownership, registration required.* For split-system heat pumps and air conditioners, the Maytag® Dependability Promise is available only when these units are installed with a Maytag® matched indoor coil or air handler. The Limited Warranty for the new unit continues from the original installation date of the previous unit. A labor fee of \$250 will be paid to the servicer to help replace the failed piece of equipment under a Dependability Promise.

Limited Lifetime Heat Exchanger Warranty - On all furnaces and gas/electric packs when registered*.

COMMERCIAL APPLICATIONS

Equipment utilized in commercial applications carries a 1-year parts limited warranty, 5-year compressor warranty and a 10-year heat exchanger warranty.

ACCESSORIES

Maytag®'s 12-Year Limited Warranty - Maytag® equipment is dependable for the long-haul. That is why we offer a 12-Year Limited Parts Warranty on our accessories when installed and registered with a complete system.

EXTENDED WARRANTY PROTECTION

While your Maytag® warranty covers parts, the cost of labor charged by your contractor for service and repair is not. However, your contractor may offer various coverage plans.

M1200 and M120 Series products require consumer product registrations. The M1200 & M120 default limited Warranty is 5-Year Parts, 20-Years Heat Exchangers and no Dependability Promise. Registration is done at www.maytagvac.com.
